Don't change your name  
Keep it the same  
For fear I may lose you again  
I know you won't  
It's just that I am unorganised  
And I want to find you when  
Something good happens  
If you come down  
We'll go to town  
I haven't been there for years  
But I'd be fine

Wasting our time  
Not doing anything here  
Just doing nothing  
We'll sit for days  
And talk about things  
Important to us like whatever  
We'll defuse bombs  
Walk marathons  
And take home whatever together  
Whatever together
