Adrift again 2000 men
You lost your maps,
You lost the plans,
Did you hear them yell,
"Land damn it land?"
You say you can't,
Well I hope you can,
I hope you can

How's it goin' 2000 men?
Welcome back to solid ground my friend,
I heard all your controls were jammed,
Well it's just nice to have you back again

But I guess they still don't understand
And they can never understand
And they said go find 2000 men
And they said tell him we've got new plans
But instead I'm here to tell you friend

I believe they want you to give in
Are you giving in 2000 men?
Are you givin' in 2000 men?
Are you givin' in 2000 men?
Are you givin' in 2000 men?
Are you givin' in 2000 men?
Are you givin' in 2000 men?

(Did you love this world
And this world not love you?)
(Did you love this world
And this world not love you?)
(Did you love this world
And this world not love you?)
(Did you love this world
And this world not love you?)
(Did you love this world
And this world not love you?)

Are you givin' in 2000 men?
(Did you love this world
And this world not love you?)
Are you givin' in 2000 men?
(Did you love this world

And this world not love you?)
Are you givin' in 2000 men?
(Did you love this world
And this world not love you?)
Are you givin' in 2000 men?
(Did you love this world
And this world not love you?)
(Did you love this world?)

Are you givin' in 2000 men?
Are you givin' in 2000 men?
Are you givin' in 2000 men?
Are you givin' in 2000 men?

Don't give in 2000 men.
