Rear view mirror

What the hell  
While I've been trying to drive somewhere  
Real and nearer  
Real and nearer

Rear view mirror  
Don't wanna live life looking through a  
Rear view mirror

What the hell, well  
I've been trying to drive somewhere  
Real and nearer  
Real and nearer  
Real and nearer

To boldly go no normal Joe or Jack or Jeff had ever been  
Pass it slow, it's told you so, it's might as well give up,  
old friend  
To boldly go no normal Joe or Jack or Jeff had ever been  
Pass the classic no you never will and which is why we  
can  
Which is why we can  
Which is why we can

Don't wanna live life looking through a rear view mirror
