He's on the street
He's got him beat
They're at the stoplight
They're laughing at him
They want to know
And why have you been cruising up and down this
street all day
The beach is nearly two hours away from here
What's the deal with the surfboard?
And revs his engine
Then the the light turns green
But he just ignores them

Oh yeah he's a...
Sikh in a baja volkswagon bug
Sikh in a baja volkswagon bug
Sikh in a baja volkswagon bug
Sikh in a baja volkswagon bug
Sikh in a baja volkswagon bug
Sikh in a baja volkswagon bug
Sikh in a baja volkswagon bug
