Summer here kids

After she lets you glide around
Finally hit the ground like a paper plane
Take a trip, join me in the sun
But not really though and I ain't having fun

'Cause summer here kids, summer here totally lies
Tourist info said I'd have a good time
Summer here kids, all of them awful lies
Tourist info said I'd have a good time

Do as I didn't do because
I'm a picture of indumbivinity
Stay alone put a record on
Listen to the songs keep yourself at home

'Cause summer here kids, summer here totally lies
Tourist info said I'd have a good time
Summer here kids, all of them awful lies
Tourist info said I'd have a good time

I'd have a good time
I'm not having a good time
I'm not having a good time
