The house that rocked (x5)  
I was walkin' down the street,cold playin' the post  
I was takin' my time  
I was chilly the most contemplating and debating about  
what I should do  
I made a sharp left turn  
And there was my crew lookin' for a def jam in order to  
rock  
Because it's gonna hit the fan at 12:00 o'clock  
Then there was this flygirl,she said she wanted to know  
Why are you all dressed up with no place to go?  
She said she'd take us to a place where we could hear  
some hip hop  
But little did we know she meant the house that rocked

The house that rocked(x3)

She was a real flygirl,dressed in leather and lace  
She looked pale "yo",i thought it was paint on her face  
She said it was the last house,corner rockin' bird lane  
But you might need a cross and a little wolfsbane  
Well we were at the door  
And when it opened inside there were freaks galore  
Their eyes glowed as if lit by an eerie light  
I said "i don't think I should have came here tonight"  
And when I asked her what was up,he door slammed  
and locked  
She was gonne and we were,trapped inside the house  
that rocked

The house that rocked(x3)

Zombies were on the floor and what do ya know  
They were doin' the pee-wee herman,what a real creep  
show  
Creatures were playin' cards (igor was cuttin' the deck)  
Somebody screamed (there's dracula,cover your neck)  
Now lurch was rockin' the mix and on his shirt it read

The music hideously provided for the living dead  
Now they was illin' and that was no doubt  
But all we wanted to do was get out  
I was wishing I was chillin' back around the block  
Instead of running for my life inside the house that  
rocked

The house that rocked(x3)

It was a grizzly situation,very gruesome indeed  
And would you believe tha walls started to bleed  
Frankstein was steady scheming as he left the room  
In came the mummy and the creature from the black  
lagoon  
They said "your time has come" you could scream and  
can holler  
But you're never gonna leave this little shop of horror  
You can think that it's a joke to have a heart full of fear  
But you feel that way because you're not here  
Take heed and stay away,whether you like it or not  
'cause those who enter never leave the house that  
rocked
