Words and Music by Lanier Ferguson

Once my life had no direction  
I was lost as could be  
I was caught in a whirlpool (caught in a whirlpool)  
Spinning around in misery  
I needed a friend  
You took me in and  
You touched my heart  
With your song of love  
You gave me a brand new start

CHORUS:

Now there's beautiful music  
Flowin' all through me  
Just like You said  
Angels singing, joy bells ringing  
Inside my head  
Since you came inside me (since you came inside me)  
Now I'm lost inside Your love

You gave me just enough  
To make hunger for more of You  
Now I'm hooked on Your lovin'  
And I don't want to break loose  
With my heart in my hand  
I'm Yours to command  
Do what You want me to  
Just never let me go  
Lord I am so in love with You

(REPEAT CHORUS)

Beautiful music  
Flowing on through me  
Just like you said  
Angels singing (angels singing)  
Joy bells ringing  
Inside my head

Beautiful music

Flowing on through me  
Just like you said  
Angels singing (angels singing)  
Joy bells ringing  
Inside my head
