Sung by Amy Grant

Hear me speak what's on my mind

Let me give this testimony

Reaffirm that you will find

That you are my one and only.

No exception to this rule

I'm simple but I'm no fool

I've got a witness happy to say

Every hour, every day.

Every heartbeat bears your name

Loud and clear they stake my claim

My red blood runs true blue

And every heartbeat belongs to you.

Classic case of boy meets girl

Moving in the same direction

You're not asking for the world

I'm not asking for perfection.

Just a love that's well designed

For passing the test of time

I'm here to tell you

I'm here to stay

Every hour, every day.

Every heartbeat bears your name

Loud and clear they stake my claim

Ask anyone and they'll tell you it's true

Every heartbeat belongs to you.

Every heartbeat bears your name

Loud and clear they stake my claim, yeah

My red blood runs true blue

And every heartbeat belongs to you.

Oh, oh, oh, oh.

Yeah sure maybe I'm on the edge

But I love you baby and like I said

I'm here to tell you

I'm here to stay

Every hour, every day.

Every heartbeat bears your name

Loud and clear they stake my claim

Ask anyone and they'll tell you it's true

Every heartbeat belongs to you.

Every heartbeat bears your name (every)
Loud and clear they stake my claim, yeah
My red blood runs true blue
And every heartbeat belongs to you.
Every heartbeat bears your name (every)
Loud and clear they stake my claim, yeah
(Every heartbeat)
And every heartbeat belongs to you.
Every heartbeat bears your name
Loud and clear they stake my claim
Ask anyone and they'll tell you it's true
Every heartbeat belongs to you.
