I Love You

Words & Music by Amy Grant, Michael W.

Smith, and Dan Huff

Sung by Amy Grant

You were pretty crazy,

Back when we fell in love.

Wanting to be everything,

That I would be proud of.

Hours we spent dreaming,

How we'd beat the odds.

Now the truth has hit us.

Life is very hard.

Life can be so hard.

I love you.

Deeper than I ever dreamed of,

I need you. (I need you.)

Staying here till we can work it out,

I want you.

Knowing that through all the changes,

I love you. (I love you.)

Somehow I just had to tell you now...yeah....

Oh, to stay your princess,

If I only could.

If you never saw the rotten;

Only saw the good.

You'd still be Prince Charming,

But we would never know,

How it's in the darkest times,

True love finally grows.

Come on true love grow.

I love you.

Deeper than I ever dreamed of,

I need you. (I need you.)

Staying here till we can work it out,

I want you.

Knowing that through all the changes,

I love you. (I love you.)

Somehow I just had to tell you now.

You got me, I got you.

Sometimes it takes a little working through,

But I can tell you now....

I love you.
Deeper than I ever dreamed of,
I need you. (I need you.)
Staying here till we can work it out,
I want you.
Knowing that through all the changes,
I love you. (I love you.)
Somehow I just had to tell you,
I love you.
Deeper than I ever dreamed of,
I need you. (I need you.)
Staying here till we can work it out,
I want you.
Knowing that through all the changes,
I love you. (I love you.)
Somehow I just had to tell you.
(I need you.)
(I love you.)
(I....)
