Written by Amy Grant
Your smile lights up a room
Like a candle in the dark
It warms me through and through
And I guess that I had dreamed
We would never be apart
But that dream did not come true
And
Chorus:
Missing you is just a part of living
And missing you feels like a way of life
I'm living out the life that I've been given
But baby I still wish you were mine
And I cannot hear the telephone

Jangle on the wall
And not feel a hopeful thrill
And I cannot help but smile
At any new of you at all
And I guess I always will
'Cause
(Repeat Chorus)
Hey, yeah
(Repeat Chorus)
I'm living out the life that I've been given
But baby I still wish that you were mine
