She's looking back to see if he's looking at her  
They talk without any words  
And with a smile he's moving heaven and earth  
She dreams of holding him tight  
When will the moment be right  
Got to be diplomatic, a step at a time  
Don't want to blow it baby

Chorus:

That's the politics of kissing  
To know when to show your hand  
First thoughts then second guessing  
A subtle supply and demand  
Balance of power baby  
To hold or not to hold  
That's the politics of kissing  
You're finding your way as you go, go, go  
How do you know

Head over heels under the moon looking at you  
But do you feel it too  
And if I move in closer what will you do  
Cause I'm thinking please hold me tight  
Am I the light in your eyes  
I wish you had the power for reading my mind  
'Cause I'll never say it to you

(Repeat Chorus)

Oh-oo-oh-oo-oh, oh-oo-oh-oo-oh  
Oh-oo-oh-oo-oh, oh-oo-oh-oo-oh  
Oh-oo-oh-oo-oh-oo-oh  
Oh-oo-oh-oo-oh, oh-oo-oh-oo-oh  
Oh-oo-oh-oo-oh-oo-oh  
Hear what I'm sayin' to ya

That's the politics of kissing  
To know when to show your hand  
First thoughts then second guessing

A subtle supply and demand  
Balance of power baby  
To hold or not to hold  
That's the politics of kissing

That's the politics of kissing  
To know when to show your hand  
First thoughts then second guessing  
A subtle supply and demand  
Balance of power baby  
To hold or not to hold  
That's the politics of kissing
