In my mind I see two childhood friends, weathering the
changes that time
inevitably brings. Change is hard. Especially when it
includes your
heart. I know.

Words & Music by Chris Eaton

Words by Amy Grant

I've known you long as anybody

You know me better than the rest

Please don't say we don't see eye to eye now

Friend to friend, can you tell me this:

Tell me, tell me, where do you belong

I guess you've no idea

Tell me, tell me, where do you come from (yeah)

Tell me, tell me, why do you pretend to know.

Listen to me now

He loves you

Listen to me now

He cares for you

Listen to me now

He wants you to come home

(Yeah) Sharayah

Chorus:

I care about you

I don't want to push you

Sharayah

I care about you

I don't want to lose you now

I don't want to lose you now

Come with me...Sharayah.

Sharayah

Call His name that is all He's asking

Let Him come down to where you are

You can have life that's everlasting

Can't you see this is just the start.

Tell me, tell me, where do you belong

I guess you've no idea

Tell me, tell me, where do you come from (yeah)

Tell me, tell me, why do you pretend to know.

Listen to me now

He loves you

Listen to me now
He cares for you
Listen to me now
He wants you to come home
(Yeah) Sharayah
(Repeat Chorus Twice)
Come with me...Sharayah
Come with me...Sharayah
Come with me...Sharayah
Come with me...Sharayah
Sharayah
Sharayah.
