(hammerin' hammerin' hammerin')

Hammerin' hammerin'
Hammerin' hammerin'

Halleluhoodwink a hound's life is for me
Everything but the kitchen sink he built it just for me
Hallelu you're the thing that leads me to the mark
I'd build you a river but I'm still not through with this ark

Man built a furnace a mercedes-benz
Man built the cities of kansas and berlin
Man slew the bison and he built a thieves' road (oh oh
oh oh)
That pass over tel aviv-jaffa and lead to the mother
lode
Mother lode

Hallelu-half-a-wit a mule's life is for me
Steppin' off a parapet with a dog nippin' my knee
Hallelu you're the girl that whispers through the wall
I'd build you a hammer with a thick (thick thick) head
and long claws

Man built an empire out of ocean and earth
Man built the prisons of joliet san quentin leavenworth
And man built a market for muhammad ali (oh oh oh
oh)
Evel knievel and the legacy of john wayne
Gacy gacy

But I can't sing along (bury my body girl)
But I can't sing along (bury my oh)
But I can't sing along (bury my body girl)
But I can't sing along
Sing along
Sing along

Hallelu hallelu
Hallelu hallelu
Hallelu hallelu hallelu hallelu

But I can't sing along (bury my body girl)
But I can't sing along (bury my oh)
But I can't sing along (bury my body girl)
But I can't sing along
Sing along
Sing along

Man built a furnace a mercedes-benz
Man built the cities of kansas and berlin
