The Power...spoke the world into existence...raised the  
Son of God from  
the dead...saves us from ourselves. "For in Him we live  
and move and  
have our being." (Acts 17:28)

A king is crying from his throne  
He had a queen but now she's gone  
What is this magic that we seek  
The mighty strong turn mighty weak  
Every good girl hears it  
Every bad boy fears it  
No matter what I see  
I believe, I believe

Chorus:  
The power touches me  
The power helps us see  
The power holds my hand  
The power drives me crazy

A flower grows, an old man dies  
And through it all we still survive  
A poor man screams but no one hears  
Ain't nothing changed much through the years  
Every bad day needs it  
Every good day breeds it  
No matter how it feels  
When it's real you know it's real  
Stronger than any bomb that any man has ever made

(Repeat Chorus)

And it won't take long to understand  
Just how amazed I am

Hey, hey  
Open up your eyes and see  
It won't take long to understand

Just how amazed I am

Every good day needs it  
Every bad day needs it  
No matter what I see  
I believe, I believe  
Stronger than any bomb any man has ever made

(Repeat Chorus Twice)

The power drives me crazy  
If I believe and you believe  
And we believe everything is gonna be all right  
All right  
It just might

SONG: Oh How The Years Go By  
Writers: Simon Climie, Will Jennings

In our times of trouble  
We only had ourselves  
Nobody else  
No one there to save us  
We had to save ourselves

And when the storms came through  
They found me and you  
Back to back together  
And when the sun would shine  
It was yours and mine  
Yours and mine forever

Chorus:  
And oh how the years go by  
And oh how the love brings tears to my eyes  
All through the changes the soul never dies  
We fight, we laugh, we cry  
As the years go by

There were times we stumbled  
They thought they had us down  
But we came around  
How we rolled and rambled  
We got lost and we got found  
Now we're back on solid ground

We took everything  
All our times would bring  
In this world of dangers  
'Cause when your heart is strong  
You know you're not alone  
In this world of strangers

(Repeat Chorus)

And if we lose our way  
Any night or day  
Well we'll always be  
Where we should be  
I'm there for you  
And I know you're there for me

(Repeat Chorus Twice)

As the years go by
