"For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces in the heavenly realms."

- Galatians 6:12

"My son give attention to my words: Incline your ear to my sayings. Do not let them depart from your sight; Keep them in the midst of your heart. For they are life to those who find them, And health to all their whole body. Watch over your heart with all diligence, for from it

flow the springs of life" - Proverbs 4:20-23

Words & Music by Gary Chapman, Tim Marsh, and Mark Wright

Don't take a ride from a stranger,

No way to know where they go.

You may be left on a long dark road,

Lost and alone.

Don't you recall what your Mama told?

You've got to learn hot from cold.

When you're afraid that you might get burned,

Where do you turn?

You've got to know who to, (who to)

Who not to listen to.

You've gotta know who to, (ooooh....)

Who not to listen to.

Well, you know, they're gonna hit you from all sides,

Better make up your mind

Who to, who not to listen to.

(Who to listen to.)

How can you learn what is true and just?

How to know who to trust?

Here comes a man with a scam to sell.

How can you tell?

You've gotta know there's a bigger plan,

Room to fall, room to stand.

Pray for the plan to begin in you;

Keep your heart true.

You've got to know who to, (who to)
Who not to listen to.
You've gotta know who to,
Who not to listen to. (Who to listen to.)

Well, you know, they're gonna hit you from all sides,
Better make up your mind
Who to, who not to listen to.
It's gonna hit you from all sides,
Better make up your mind
Who to, (who to), who not to listen to.
Everyone will have their words to say....
Find the word to help you find your way....
(Yeah, yeah, yeah, yeah...yeah...ah....)
You've got to know who to, (who to)
Who not to listen to.
You've gotta know who to,
Who not to listen to. (Who to listen to.)
Well, you know, they're gonna hit you from all sides,
Better make up your mind
Who to, who not to listen to.
They're gonna hit you from all sides,
Better make up your mind
Who to, who not to listen to. (Who to listen to.)
They're gonna hit you from all sides.
Hit you from all sides,
Better make up your mind
Who to, (who to), who not to listen to.
(Who do you listen to?)
They're gonna hit you from all sides, (They're gonna hit!)
They're gonna hit you from all sides,
Better make up your mind
Who to, who not to listen to.
(Who to listen to.)
(You've got to know.
Who to listen to.)
(You gotta know who to.
Who to listen to.)
(They're gonna hit you from all sides.
Hit you from all sides.)
