There's a bullet in the heart tonight
In the heart of Texas
They shout it to the Dallasites
We are rollin' home

They shot an Angel in mid-flight
And now she won't protect us
They shout it to the Bedlamites
We are westward ho

Pray the holy war is ending
Like in the films of Hollywood
And the Angels are descending

Like Koreshians said
They would before too long
Sing a lone star song

They had him nailed up to a T
With a T for Texas
His disciples with artillery
They held the fort inside

And by the time the story broke
Down at Dealey Plaza
We've already caught the smoke
Read the TV guide

Pray the holy war is ending
Like the films of Hollywood
And the choppers are descending

Like Ma Reno said
They would before too long
Sing a lone star song

Lone star song of the south
Words that can't help
But escape my mouth

When they bring down the house
Day upon day, day upon day

Day upon day

Pray the holy war is ending
Like the films of the Hollywood
And the trumpet's blast is blending

With the crack of burning
Wood before too long
Sing a lone star song
Lone star song, lone star

Lone star song
Sing a lone star song
Lone star easy words
Come on come on
