There ain't a question ah that he can't answer
And nothin' can stump him surely you've met this
Sure Know-It-All
Mr. Know-It-All

He is the foremost thinker on everything
We are but servants in the high court of
King Know-It-All
Mr. Know-It-All

He will admit there may be times
It can be hard to handle those with little minds
But we all have a work on this earth to do
Exist to educate you

Know-It-All
Know-It-All

Look at da Vinci he wasn't all that smart
Neither was Tesla not even Jean-Paul Sartre
Can Know-It-All
Know-It-All
Know-It-All
Mr. Know-It-All

Know-It-All
Know-It-All
Know-It-All
Mr. Know-It-All
