(Hammerin', hammerin', hammerin')
Hammerin', hammerin'
Hammerin', hammerin'

Halleluhoodwink a hound's life is for me
Everything but the kitchen sink, he built it just for me
Hallelu you're the thing that leads me to the mark
I'd build you a river but I'm still not through with this ark

Man built a furnace, a Mercedes-Benz
Man built the cities of Kansas and Berlin
Man slew the bison and he built a Thieves' Road
(Oh oh oh oh)
That pass over Tel Aviv-Jaffa and lead to the Mother
Lode
Mother Lode

Hallelu-half-a-wit a mule's life is for me
Steppin' off a parapet with a dog nippin' my knee
Hallelu, you're the girl that whispers through the wall
I'd build you a hammer with a thick head and long
claws
(Thick, thick)

Man built an empire out of ocean and earth
Man built the prisons of Joliet San Quentin Leavenworth
And man built a market for Muhammad Ali
(Oh oh oh oh)
Evel Knievel and the legacy of John Wayne
Gacy Gacy

But I can't sing along
(Bury my body, girl)
But I can't sing along
(Bury my, oh)

But I can't sing along
(Bury my body, girl)
But I can't sing along
Sing along
Sing along

Hallelu, Hallelu
Hallelu, Hallelu
Hallelu, Hallelu, Hallelu, Hallelu

But I can't sing along
(Bury my body girl)
But I can't sing along
(Bury my, oh)

But I can't sing along
(Bury my body, girl)
But I can't sing along
Sing along
Sing along

Man built a furnace, a Mercedes-Benz
Man built the cities of Kansas and Berlin
