Always friend
Always friend
Still some fences
We may never mend
In our time
Broken hearts
Broken lines
Every now and then
Ya spring ta mind
And we are
Always friends
Always friends

Always and forever
Thick or thin
Push it away before I let you in
And make the same mistakes twice
Dim the lights
Such is hell
Hey and such is life
And we are always friends
Always friends

Always friends

Broken hearts
Broken lines
Pray there never comes a second time
Because it's such a court
Such a crime
Find the strength to leave the past behind
And we are always friends
Always friends
Always friends
Always

Push it away before I let you in
Commit the same wrongs twice
Such is hell
Hey and such is life
And we are always friends
