Move a groove, nice and easy  
Feels so good  
They're in my bones

Dance, dance, dance to the music  
Get down, get down and sing along

[CHORUS]  
Cause it ain't gonna hurt  
Nobody to get on down  
It ain't gonna hurt nobody  
To get on down  
It in't gonna hurt nobody  
To get on down

Don't stop me  
And I won't stop you  
Someone said that it was ten to four  
It's not too late to throw some more  
Time keeps ticking away  
Come on and let's get down today

[repeat CHORUS]

Don't stop me

[repeat CHORUS]

Don't stop me  
And I won't stop you
