Brick
"Ain't Gonna Hurt Nobody"

Move a groove, nice and easy
Feels so good
They're in my bones

Dance, dance, dance to the music
Get down, get down and sing along

[CHORUS]
Cause it ain't gonna hurt
Nobody to get on down
It ain't gonna hurt nobody
To get on down
It in't gonna hurt nobody
To get on down

Don't stop me
And I won't stop you

Someone said that it was ten to four
It's not too late to throw some more
Time keeps ticking away
Come on and let's get down today

[Repeat CHORUS]

Don't stop me

[Repeat CHORUS]

Don't stop me
And I won't stop you
