You're too good
To believe
Falling so hard, I'm in so deep
Got it bad
Losing sleep
Thinking of you, thinking of me

Girl I know
We both
Are still new to love
And our fairytale's still on chapter 1

Baby, this is our story

We'll make it up up up as we go go go
Forget the rules, we can make our own.
Cause we're too young baby to take it slow
We'll make it up - up - up (hey!)
Up - up - up
As we go
As we go
We'll make it up as we go

Just press play, let's begin
We can go where we've never been
Come with me
Grab the keys
We can drive like every light's green

Girl I know
We don't
Know what's coming next
If you take my hand
I can do the rest

Baby this is our story

We'll make it up up up as we go go go
Forget the rules, we can make our own.
Cause we're too young baby to take it slow
We'll make it up - up - up (hey!)

Up - up -up
As we go
As we go
We'll make it up as we go

Forget the rules, -get the rules
Cause we're too young

We'll make it up up up as we go go go
Forget the rules, we can make our own.
Cause we're too young baby to take it slow
We'll make it up - up -up (hey!)
Up - up -up
As we go
As we go
We'll make it up as we go
