Take me back to the places I once knew.
Hold my heart, cause no longer can I move.
Wake me up, cause my heart is half asleep.
Wake me up, cause I'm dying just to breathe.

I'm tired of being broken for the world to see, these
holes she left in me.
Last call for excuses, I think we will move along.
Confessing I was wrong.

I'm lying weak as I lay here and bleed out my soul, my
soul.
Cause this is the ending of my soul pretending to be, to
be alright

Sink or swim, I'm trying just to prove, that deep within is
a love that burns for you.
So patch me up, cause my heart is prone to bleed.
So patch me up, cause your love is all I need.

Yea, I'm tired of being broken for the world to see,
these holes she left in me.
Last call for excuses, I think we will move along.
Confessing I was wrong.

I'm lying weak as I lay here and bleed out my soul, my
soul.
Cause this is the ending of my soul pretending to be, to
be, Alright.

Yea I know that I could never survive, without your love
that's keeping me alive. x2
