Each night when watching? of the day  
I seem to find I hardly know my way around  
Even with the crowd I'm on my own  
Now she's gone, I don't know if I'm lost or found

You're bringin' me down dear Delilah  
I can't see you comin' around dear Delilah  
It's hard to realize and harder to see  
And harder still when someone tells you  
She wanted someone else that I couldn't be

You're bringin' me down dear Delilah  
I can't see you comin' around dear Delilah

Wind blows and I'm falling with the wind  
Was I too fast, too slow or did the weather change

You're bringin' me down dear Delilah  
I can't see you comin' around dear Delilah  
And when you ask me if I need her, I do  
But ask me why and I can't tell you  
I only know that she means so much to me

You're bringin' me down dear Delilah  
I can't see you comin' around dear Delilah  
You're bringin' me down dear Delilah  
I can't see you comin' around dear Delilah  
You're bringin' me down dear Delilah
