How can I review to you
no other words just stamped in through
a thousand miles but not too far to see
the day will come for all so pleasantly
a better way
a better way
Half the things have not been said
when the days go by in times ahead
a thousand miles but not too far to see
the day will come for all so pleasantly
a better way
a better way
And all the time
enriched in style
shines on me
like a billion smiles
billion smiles
And all the time
enriched in style
shines on me
like a billion smiles
billion smiles

Everyway you book's a mess
seems like fate won't work for us
a thousand miles but not too far to see
the day will come for all so pleasantly
a better way
a better way
And all the time
enriched in style
shines on me
like a billion smiles
billion smiles
And all the time
enriched in style
shines on me
like a billion smiles
billion smiles
billion smiles
billion smiles
