You must leave, now take what you need you think will  
last  
But whatever you wish to keep, you better grab it  
fast.  
yonder stands your orphan with his gun;  
Crying like a fire in the sun.

Look out; all those saints are coming through  
And it's all over now Baby Blue.  
And it's all over now Baby Blue.

The highway is for gamblers, you better use your  
sense.  
Take what you have gathered from coincidence.  
The empty handed painter from your streets  
Is drawing crazy patterns on your sheets.

The sky too is folding under you,  
And it's all over now Baby Blue.

All your seasick sailors, they are rowing home  
All your empty-handed armies are all going home.  
Your lover who has just walked out your door  
has taken all his blankets from the floor.

The carpet too is moving under you,  
And it's all over now Baby Blue.

Leave your stepping stones behind, there's something  
calls for you  
Forget about the dead you've left, they will not  
follow you  
The vagabond who's rapping at your door  
Is standing in the clothes that you once wore.

Strike another match go start anew,  
And it's all over now Baby Blue.  
And it's all over now Baby Blue.  
And it's all over now Baby Blue.
