In the attics of my life, full of cloudy dreams unreal.  
Full of tastes no tongue can know, and lights no eyes  
can see.

When there was no ear to hear, you sang to me.

I have spent my life seeking all that's still unsung.  
Bent my ear to hear the tune, and closed my eyes to  
see.

When there was no strings to play, you played to me.

In the book of love's own dream, where all the print is  
blood.

Where all the pages are my days, and all the lights  
grow old.

When I had no wings to fly, you flew to me, you flew to  
me.

In the secret space of dreams, where I dreaming lay  
amazed.

When the secrets all are told, and the petals all unfold.

When there was no dream of mine, you dreamed of  
me.
