All I know is something like a bird within her sang,
All I know she sang a little while and then flew on,
Tell me all that you know, Ill show you snow and rain.

If you hear that same sweet song again, will you know
why?
Anyone who sings a tune so sweet is passin by,
Laugh in the sunshine, sing, cry in the dark, fly through
the night.

Dont cry now, dont you cry, dont you cry anymore.
Sleep in the stars, dont you cry, dry your eyes on the
wind.

All I know is something like a bird within her sang,
All I know she sang a little while and then flew off,
Tell me all that you know, Ill show you snow and rain.
