Oh sinning is a gentiled journey, take jesus as your
daily guide
Though you may feel pure and saintly without him
walking by your side
And when you come to make your crossing at the end
of the pilgrims way
If you ever will meet your savior, you will surely meet
him on that day

Now look at that cold jordan, look at its deep water
Look at that wide river oh heavy mighty billows roll
You better take jesus with you, hes a true companion
Oh Im sure without him that you never will make it
home

That awful day of judgment is coming in the by and by
Well see our lord descending in the glory from on high
Oh, let us get in touch with jesus and in the special love
of god
And maybe ever get ready when he comes on jordans
tide
Now look at that cold jordan, look at its deep water
Look at that wide river oh heavy mighty billows roll
You better take jesus with you, hes a true companion
Oh Im sure without him that you never will make it
home

Now what you gonna do, oh what you gonna say
Oh how you gonna feel when you come to the end of
the way?
