"Dark Hollow"

Id rather be in some dark hollow where the sun dont
ever shine
Then to be at home alone and knowin that youre gone
Would cause me to lose my mind.

Well blow your whistle freight train carry me far on
down the track
Well Im going away, Im leaving today
Im goin, but I aint comin back.

Id rather be in some dark hollow where the sun dont
ever shine
Then to be in some big city, in a small room, with you
upon my mind.

Well Im going away, Im leaving today
Im goin but I aint comin back.
