Y know death dont have no mercy in this land
Death dont have no mercy in this land, in this land
Come to your house, you know he dont take long
Look in bed this morning, children find your mother
gone.

I said death dont have no mercy in this land.
Death will leave you standing and crying in this land,
Death will leave you standing and crying in this land, in
this land, yeah!

Whoa! come to your house, y know he dont stay long,
Y look in bed this morning,
Children you find that your brothers and sisters are
gone.
I said death dont have no mercy in this land.

Death will go in any family in this land.
Death will go in any family in this land.
Come to your house, you know he dont take long.
Look in the bed on the morning, children find that your
familys gone.

I said death dont have no mercy in this land.
Death will leave you standing and crying in this land,
In this land. whoa! come to your house,
Y know it dont stay long, y look in bed this morning,
Children find that your brothers and sisters are gone.

I said death dont, death dont have no mercy in this
land.
