Way down in the south of france all the ladies love to
dance
Kick their heels up in the air snap their fingers for
romance

While the gentlemen compare blonde or black or
auburn hair
Check the motion and the style oh, you know they take
their while

Hey, to make the motion more complete, yeah, to make
it more a treat
Club djour is where to go come on down and see the
show

When the rhythms really right you can burn it down
tonight
When the singings really fine sweet as spanish sherry
wine

When the club cant contain the beat it just rolls out in
the street
Spills on down the avenue bringing dancers to their
feet.

When its good as it can be it gets better wait and see
Oh, these folks dont ever sleep till theyre passed out in
the street

Way down in the south of france all the ladies love to
dance
Clap their hands and walk on air, yeah, the feelings
really there
Wont you take a little taste raise it to your charming
face?

When the rhythms really right you can burn it down
tonight
When the singings really fine sweet as spanish sherry
wine

Go on take a chance, the ladies do love to dance.
