Paradise waits, on the crest of a wave, her angels in flames.

She has no pain, like a child she is pure, she is not to blame.

Poised for flight, wings spread bright, spring from night into the sun.

Dont stop to run, she can fly like a lie, she cant be outdone.

Tell me the cost; I can pay, let me go, tell me love is not lost.

Sell everything; without love day to day insanity's king.

I will pay day by day, anyway, lock, bolt and key.

Crippled but free, I was blind all the time I was learning to see.

Help on the way, well, I know only this, Ive got you today.

Dont fly away, cause I love what I love and I want it that way.

I will stay one more day, like I say, honey its you.

Making it too, without love in a dream it will never come true.
