"Here Comes Sunshine"

Wake of the flood, laughing water, forty-nine,
Get out the pans, dont just stand there dreamin
Get out of the way, get out of the way,

Here comes sunshine, here comes sunshine.

Line up a long shot maybe try it two times, maybe
more,
Good to know you got shoes to wear when you find the
floor,
Why hold out for more?

Here comes sunshine, here comes sunshine.

Askin you nice, now, keep the mother rollin
One more time, been down before,
You just dont have to go no more, no more.

Here comes sunshine, here comes sunshine.
