You told me good-bye, how was I to know  
You didnt mean good-bye, you meant please dont let  
me go?

I was having a high time, living the good life, well I  
know

The wheels are muddy, got a ton of hay,  
Now listen here, baby, cause I mean what I say.

Im having a hard time, living the good life, well I know.

I was losing time, I had nothing to do,  
No one to fight, I came to you.  
Wheels broke down, leader wont draw,  
The line is busted, the last one I saw.  
Tomorrow come trouble, tomorrow come pain,  
Now dont think too hard baby, cause I know what Im  
saying.

I could show you a high time, living the good life, dont  
be that way.

Nothings for certain, it could always go wrong,

We could have us a high time, living the good life, well  
I know.
