Lazy lightnin sleepy fire in your eyes its like desire in
disguise
I keep on tryin but i, I cant get through
Lazy lightnin Id like to find the proper potion
Thats gonna capture your emotion
Youre right beside me but i, I cant get through

Youre a loop of lazy lightnin, just a loop of lazy lightnin
Must admit youre kinda frightnin but you really get me
high
So exciting, when I hear your velvet thunder,
You seem so near I start to wonder
Would you come closer if, if I asked you to?

So inviting, the way youre messing with my reason
Its an exception but its pleasing
Tell me a lie and I will swear, Ill swear its true.

Youre a loop of lazy lightnin (lazy lightnin)
Just a loop of lazy lightnin (lazy lightnin)
Must admit youre kinda frightening
Just a loop of lazy lightnin
Put the fire in my eyes (lightnin) put the fire every time
(lightnin)
Put the fire in my heart (lightnin) well come on lazy
lightning.
Just a loop of lazy lightning

Misty lightning, well you always electrify me
Someday I know youll satisfy me
And all that lightnin will be my lightnin too.
My lightnin too. (my lightnin too)
Just a loop of lazy lightnin (my lightnin too)
My lightnin too. (my lightnin too)
Just a loop of lazy lightnin (my lightnin too)
My lightnin too. (my lightnin too)
Oh come on lazy lightnin (my lightnin too)
