If I had a gun for every ace I have drawn,
I could arm a town the size of abilene
Dont you push me baby,
Cause Im all alone and you know Im only in it for the
gold

All that I am asking for is ten gold dollars
And I could pay you back with one good hand
You can look around about the wide world over
And youll never find another honest man.

Last fair deal in the country,
Sweet suzie, last fair deal in the town
Put your gold money where your love is baby,
Before you let my deal go down

Dont you push me baby, cause Im all alone
Well I know a little something you wont ever know
Dont you touch hard liquor, just a cup of cold coffee
Im gonna get up in the morning and go

Everybody prayin and drinkin that wine
I can tell the queen of diamonds by the way she shines
Come to daddy on the inside straight,
Well I got no chance of losin this time

Last fair deal in the country,
Last fair deal in the town
Put your gold money where your love is baby,
Before you let my deal go down

Everybody prayin and drinkin that wine
I can tell the queen of diamonds by the way she shines
Come to daddy on the inside straight,
Well I got no chance of losin this time.
