The sound of your footsteps  
Telling me that you're near  
Your soft, gentle motion, babe,  
Brings out a need in me that no one can hear, except

In my midnight confessions  
When I tell all the world that I love you  
In my midnight confessions  
When I say all the things that I want to  
I love you.  
But a little gold ring you wear on your hand  
Makes me understand  
There's another before me, you'll never be mine  
I'm wasting my time

Staggering through the daytime  
Your image on my mind  
Passing so close beside you, babe  
Sometimes the feelings are so hard to hide, but  
In my midnight confessions  
When I tell all the world that I love you  
In my midnight confessions  
When I say all the things that I want to  
I love you.

### INSTRUMENTAL BRIDGE

Yes, a little gold ring you wear on your hand  
Makes me understand  
There's another before me, you'll never be mine  
I'm wasting my time

In my midnight confessions  
When I tell all the world that I love you  
In my midnight confessions  
When I say all the things that I want to

La la la la la la la la  
La la la la la la la la  
(repeat and fade out)
