Great North Special, would you all board  
You can't find a ride like that no more,  
The night the chariot swung down low  
Ninety-nine children had a chance to go.  
One long party from front to end  
Tune to the whistle going round the bend,  
No great hurry, what do you say?  
Might as well to be every way.  
Might as well, might as well, might as well, might as  
well,  
Might as well, might as well, might as well, might as  
well,  
Might as well, might as well, might as well.  
Ragtime slowly for twenty-five miles  
Then switch over to the cajun style  
Bar car blowing rhythm and blues,  
Rock 'n' roll wailing in the old caboose.  
Long train running from coast to coast  
Bringing home a party when you need it the most  
Work on the box car, beat on the bell  
Nothing else shaking so you might just as well.  
Might as well, might as well, might as well, might as  
well,  
Might as well, might as well, might as well, might as  
well,  
Might as well, might as well, might as well.  
Never had such a good time in my life before  
I'd like to have it one time more  
Whoa! One good ride from start to end,  
I'd like to take that ride again, again!  
Ran out of track and I caught the plane  
Back in the county with the blues again  
Great North Special been on my mind  
Might as well, might as well, might as well, might as  
well,  
Might as well, might as well, might as well, might as  
well,  
Might as well, might as well, might as well
