I turn and walk away then I come 'round again  
It looks as though tomorrow I'll do pretty much the  
same.  
I must turn down your offer but I'd like to ask a break  
You know I'm ready to give everything for anything I  
take.  
Someone called my name you know I turned around to  
see  
It was midnight in the Mission and the bells were not for  
me.  
Come again, walking along in the Mission in the rain,  
Come again, walking along in the Mission in the rain,  
Ten years ago, I walked this street my dreams were  
riding tall  
Tonight I would be thankful Lord, for any dream at all.  
Some folks would be happy just to have one dream  
come true  
But everything you gather is just more that you can  
lose.  
Come again, walking along in the Mission in the rain,  
Come again, walking along in the Mission in the rain,  
All the things I planned to do I only did half way  
Tomorrow will be Sunday born of rainy Saturday.  
There's some satisfaction in the San Francisco rain  
No matter what comes down the Mission always looks  
the same.  
Come again, walking along in the Mission in the rain
