I take a little powder, take a little salt, put it in my
shotgun, I go walkin
Jubba jubba, wolly bully, looking high, looking low,
Gonna scare you up and shoot ya, mister charlie told
me so.

I wont even take your life, wont even take a limb,
Just unload my shotgun, take a little skin.
Jubba jubba, wolly bully, looking high, looking low,
Gonna scare you up and shoot ya, mister charlie told
me so.

Well you take my silver dollar, take those silver dimes,
Fix it up together in some alligator wine.
I can hear the drums, voodoo all night long,
Mister charlie tells me I cant do nothing wrong.
Jubba jubba, wolly bully, looking high, looking low,
Gonna scare you up and shoot ya, mister charlie told
me so.

Now mister charlie told me, wont you like to know,
Give you little warning before I let you go.
Jubba jubba, wolly bully, looking high, looking low,
Gonna scare you up and shoot ya, mister charlie told
me so.
Gonna scare you up and shoot ya, mister charlie,
mister charlie told me so.
