Please dont dominate the rap, jack, if youve got  
nothing new to say.  
If you please, dont back up the track this trains got to  
run today.  
I spent a little time on the mountain, I spent a little time  
on the hill  
I heard someone say better run away, others say better  
stand still.

Now I dont know, but I been told its hard to run with the  
weight of gold,  
Other hand I have heard it said, its just as hard with the  
weight of lead.

Who can deny, who can deny, its not just a change in  
style?  
One step down and another begun and I wonder how  
many miles.  
I spent a little time on the mountain, I spent a little time  
on the hill  
Things went down we dont understand, but I think in  
time we will.  
Now, I dont know but I was told in the heat of the sun a  
man died of cold.  
Keep on coming or stand and wait, with the sun so dark  
and the hour so late.  
You cant overlook the lack, jack, of any other highway  
to ride.  
Its got no signs or dividing lines and very few rule to  
guide.

I saw things getting out of hand, I guess they always  
will.  
Now I dont know but I been told  
If the horse dont pull you got to carry the load.  
I dont know whose backs that strong, maybe find out  
before too long.

One way or another, one way or another,  
One way or another, this darkness got to give.
