Operator, can you help me, help me if you please.  
Give me the right area code and the number that I  
need.  
My rider left upon the midnight flyer,  
Singin like a summer breeze.

I think shes somewhere down south, down about baton  
rouge,  
But I just cant remember no number, a number I can  
use.  
Directory dont have it, central done forgot it,  
Ive gotta find a number to use.

Trying to check out her number, trying to run down her  
line.  
Operator said thats privledged information,  
And it aint no business of mine.  
Its floodin down in texas, poles are out in utah,  
Gotta find a private line.

She could be hangin round the steel mill,  
Working in a house of blue lights.  
Riding a getaway bus out of portland, talking to the  
night.  
I dont know where shes going, I dont care where shes  
been,  
Long as shes doin it right. long as shes doin it right
