Standing on the moon
I got no cobweb on my shoe
Standing on the moon
Im feeling so alone and blue
I see the gulf of mexico
As tiny as a tear
The coast of california
Must be somewhere over here - over here

Standing on the moon
I see the battle rage below
Standing on the moon
I see the soldiers come and go
Theres a metal flag beside me
Someone planted long ago
Old glory standing stiffly
Crimson, white and indigo - indigo

I see all of southeast asia
I can see el salvador
I hear the cries of children
And the other songs of war
Its like a mighty melody
That rings down from the sky
Standing here upon the moon
I watch it all roll by - all roll by

Standing on the moon
With nothing else to do
A lovely view of heaven
But Id rather be with you

Standing on the moon
I see a shadow on the sun
Standing on the moon
The stars go fading one by one
I hear a cry of victory
And another of defeat
A scrap of age old lullaby
Down some forgotten street

Standing on the moon
Where talk is cheap and vision true
Standing on the moon
But I would rather be with you
Somewhere in san francisco
On a back porch in july
Just looking up to heaven
At this crescent in the sky

Standing on the moon
With nothing left to do
A lovely view of heaven
But Id rather be with you - be with you
