She's got something that moves my soul
And she knows I'd love to love her
But she lets me down ev'ry time
Can't make her mine, she's no one's lover
Tonight with me, she'll be so inviting
I want her all for myself, oh

CHORUS:

Temptation eyes
Looking through my-my-my soul
Temptation eyes
You've got to love me, got to love me tonight

Got to love me, baby, yeah
Mm-hmm

Her wild-eyed innocence is just a game
But just the same, my head is spinnin'
She's got a way to keep me on her side
It's just a ride, it's never ending
Tonight with me, she'll be so exciting
I want her all for myself, oh

CHORUS

Can you feel it now?

Tonight with me, she'll be so exciting
I want her all for myself, oh

CHORUS

(repeat and fade out)
