CHORUS:

Two divided by love can only be one
And one is a lonely number
Two divided by love can only be sad,
Can only hurt one another

Baby

Every night, your tears come down
And I know how you're feelin' inside
Loneliness is no one's friend
I've been takin' the same kind of ride
And that just shouldn't be
If you're still lovin' me
Come on, baby

CHORUS

I'd be lyin' to myself
If I said I was gettin' along
All I do is think of you
And I know that it's here you belong
Come on, girl, make your way

We can start from today
Puttin' it back together 'cause

CHORUS

Take away the rain from a flower
And the flower just can't grow
Take away your love from me, girl
(And out of my mind)
I slowly go
(Out of my mind)
(Out of my mind)
Slowly go
(Out of my mind)

Two divided by love can only be sad,
Can only be brokenhearted
Two divided and blue should take what they had

And go back to where they started

CHORUS

(repeat and fade out)
