Well the first days are the hardest days, dont you worry
any more,
cause when life looks like easy street, there is danger
at your door.

Think this through with me, let me know your mind,
Wo, oh, what I want to know, is are you kind?

Its a buck dancers choice my friend; better take my
advice.

You know all the rules by now and the fire from the ice.
Will you come with me? wont you come with me?
Wo, oh, what I want to know, will you come with me?

Goddamn, well I declare, have you seen the like?
Their wall are built of cannonballs, their motto is dont
tread on me.

Come hear uncle johns band playing to the tide,
Come with me, or go alone, hes come to take his
children home.

Its the same story the crow told me; its the only one he
knows.

Like the morning sun you come and like the wind you
go.

Aint no time to hate, barely time to wait,
Wo, oh, what I want to know, where does the time go?

I live in a silver mine and I call it beggars tomb;
I got me a violin and I beg you call the tune,
Anybodys choice, I can hear your voice.
Wo, oh, what I want to know, how does the song go?

Come hear uncle johns band by the riverside,
Got some things to talk about, here beside the rising
tide.

Come hear uncle johns band playing to the tide,
Come on along, or go alone, hes come to take his
children home.

Wo, oh, what I want to know, how does the song go.
