Wake up little susie, wake up. wake up little susie, wake up.

The movie wasnt so hot, it didnt have much of a plot  
We fell asleep, our goose is cooked, our reputation is shot

Wake up little susie, wake up little susie

What are you gonna tell your mama, what you gonna tell your pa

What are you gonna tell your friend when they say ooo la la

Wake up little susie, wake up little susie

Well I told your mama that youd be back by ten

Now susie, baby looks like we goofed again

Wake up little susie, wake up little susie, we gotta go home

Wake up little susie, wake up. wake up little susie, wake up.

The bullfrogs sound asleep, wake up little susie and weep

Its four oclock and were in trouble deep

Wake up little susie, wake up little susie
