Well now baby used to stay all night long, made me  
cry, Lord she done me wrong.  
Hurt my eyes open, and that's no lie, tables turnin', now  
it's her turn to cry,  
Cuz I used to love her, but it's all over now.  
Well I used to wake up in the morning, get my  
breakfast in bed,  
When I got worried, you know she eased my achin'  
head,  
But now she's here and there with every man in town'  
Still tryin' to take for that same old clown.  
Cuz I used to love her, but it's all over now.  
Well she used to run around with every man in town,  
Spend all my money, Lord I better pass "go",  
Put me out, it was a pity how I cried, table's turnin', now  
it's her turn to cry,  
Cuz I used to love her, but it's all over now.  
Yes and I used to love her, but it's all over now
