Lay down my dear brother, lay down and take your rest,

Wont you lay your head upon your saviors chest,

I love you all, but jesus loves you the best

And we bid you goodnight, goodnight, goodnight.

I would never ride, well, I would never ride (goodnight, goodnight)

But his rod and his staff, they comfort me (goodnight, goodnight)

Tell a for the ark, that wonderful boat (goodnight, goodnight)

Tell b for the beast at the ending of the wood (goodnight, goodnight)

You know it ate all the children when they wouldnt be good,

Walking in jerusalem just like john (goodnight, goodnight)

I go walking in the valley of the shadow of death,

And we bid you goodnight, goodnight, goodnight.
